

# *Big Lifter*<sup>TM</sup>

**BRUNO**  
for your independence

*Superior Performance.*

*Amazingly Compact.*

*Easy To Use.*

**VSL-570 Vehicle Lift**

*Versatile Manual  
Rotate Lift*

The VSL-570 lifts up to 400 lb/  
181 kg at the touch of a button.  
Graceful, automotive styling and  
simple operation make this product  
a great solution to transport a scooter  
or powerchair in your vehicle.

Fold-Down Lift Head (requires optional quick release pins)

### Value Added Features...

- Hundreds of vehicle specific mounting bases provide clean and precise installation into minivans, SUVs, CUVs and full-size vans
- Fold-Down Lift Head provides greater visibility and storage space. Optional quick release pins make this a snap.
- Upgradeable to power rotate function
- Lift design allows flexibility to raise and lower your mobility device behind, at the corner, or at the side of your vehicle

# Innovation... for your Independence & Convenience.
